Hi, this is [Your Name], [Title] at [Affiliate Organization Name], serving [City/Region]. I'm calling to urge [Senator/Representative X] to oppose the budget reconciliation bill moving through Congress.

Our organization works every day with Latino families who rely on Medicaid and the Affordable Care Act for health care, SNAP (Supplemental Nutrition Assistance Program) to keep food on the table and student aid to make college possible for their children. This bill would devastate our community, with the largest cuts to health care and food programs in American history. It includes:

- Over \$1 trillion in cuts to Medicaid and ACA coverage.
- A 30% reduction in federal SNAP funding.
- New and severe restrictions on student support programs.

Even worse, the bill takes money from working families to fund mass deportations that threaten the safety of hardworking families and delivers massive tax breaks to the ultra-wealthy.

We're already seeing families stretched to the limit — struggling with high costs, rising rents and hunger. This bill would make those struggles worse, not better.

Our community deserves investment and opportunity — not deeper hardship. On behalf of the families we serve, I urge [Senator/Representative] to stand with us and vote no on this extreme and dangerous legislation.

Thank you.
